ON BECOMING A UNIZAR STUDENT: VERY FIRST STEPS

(1) *First of all, please go and see Marisa Fierro (internationalteruel@unizar.es) at our International Relations Office (BUILDING 4 on the map in our information booklet).*

(2) *She will fill in and sign your arrival certificate and will then register you as a student at the University of Zaragoza. She will first provide you with your STUDENT'S ID NUMBER and PASSWORD (i.e. NIP y CONTRASEÑA ADMINISTRATIVA). Subsequently, she will enrol you in the modules/subjects included in your Learning Agreement.*

With your Student's ID and administrative password fully operational, you will be able to set up your UNIZAR student's e-mail account, as well as your on-line (no plastic) student's card.

- ✓ *But…where can you set up or activate your e-mail account?* *Do please note that your student's e-mail account will be your STUDENT'S ID + @unizar.es (for example: 699999@unizar.es). For your e-mail account to be fully up and running, you must first log into https://portalcorreo.unizar.es/ with your NIP and CONTRASEÑA ADMINISTRATIVA (i.e. ID + PASSWORD). Once you're in, you will be asked to come up with and provide your e-mail's password. Your contraseña administrativa (administrative password) need not coincide with your e-mail's password. Your e-mail address + password will grant you access to the WIFI on Campus.*
- ✓ *And now…how can you activate your student's card?* *Do please download the App "CRUE UNIZAR" on your mobile phone:*
  Android: https://play.google.com/store/apps/details?id=net.universia.unizar
  IOS: https://apps.apple.com/us/app/universidad-de-zaragoza/id1474207309
  Once you've downloaded the app on your mobile, you must upload a recent FACE PIC of yours into https://identidad.unizar.es (1. Access the website through your NIP and Administrative password; 2. Datos personales; 3. Fotografía). Once the photo has been uploaded, you will need to get your face pic officially validated at Teruel Campus' main Student Admin Office (SECRETARÍA DE CAMPUS: Building 4 on the map in our information booklet).

3 — *The teaching-learning platform we use at the Uni of Zaragoza is Moodle. To access the Moodle courses for all the modules you are enrolled in, please go to https://moodle.unizar.es/add/login/index.php and log in using your NIP and CONTRASEÑA ADMINISTRATIVA (i.e. your student's ID + administrative password). Take a few minutes to play a bit with it and familiarise yourself with it (it's pretty intuitive!).*
